

MISS EDITH SMITH NOW LEADS CONTEST

Look for the Twenty Vote Coupon
in Sunday Morning's Paper

Twenty-four days decides the battle and names the victors. The automobile and piano are causing many favorable comments and are coveted by many young ladies. But at the present stage of the game it is hard to tell who the fortunate ones will be.

Then there is the young lady who has an ambition to get a business education; what a wonderful chance offered by The Astorian. How well worth a little extra effort during the twenty-four days that remain in the great contest.

The watches—what lady does not prize a nice gold watch? And the ones so generously offered by The Astorian are not cheap ones, but are durable and very pretty.

The contest is nearing the close and now is the time to round up that friend who was "going to help you out in time of need."

Do not let your friends forget that you want and need those prizes, and that The Astorian gives them the news service in the best of form and while it is news.

See the increased number of votes allowed for subscribers for the weekly.

When the votes are finally counted and the final awards are made, it will be done by a committee selected by the contestants and no one connected with The Astoria office will have anything to do with the award. The number comprising the committee and how they shall be chosen by contestants will be announced later. The proprietor of The Astorian will have nothing to do with the award and is not at present or at any time interesting himself in the contest, except in a general way. His only regret will be that there will not be an automobile of piano for each and every contestant. But 17 splendid prizes will go some ways toward satisfying the little army of earnest voters.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

HOW TO WIN.

The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for 6 to 12 months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

The offer affords the girls of Astoria and surrounding territory an excellent opportunity to travel or receive a business education at the expense of the Astorian.

DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city

limits; fourth district will include all the towns in and around Ilwaco and Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

HOW THE PRIZES WILL BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts. The trips—one in each district—the lady standing second, will receive the scholarship and the third will each receive the gold watch.

FRANK J. DONNERBERG.

Frank J. Donnerberg, who several months ago opened a handsome jewelry store at 574 Commercial street, has won a reputation that has brought him what is perhaps the best trade in the city. After 16 years' experience in the large jewelry and watchmaking stores of San Francisco and Portland, Mr. Donnerberg came to Astoria and opened a small place at 110 Eleventh street, confining himself largely to repairing watches, and carrying a small stock of jewelry and watches. His customers found him a good watchmaker and discovered they were given fair treatment and patronized him liberally, enabling him to increase his stock rapidly. Mr. Donnerberg is a broad-minded business man, and his up-to-date stock includes all the newest styles which he purchases from New York and San Francisco wholesalers, and his establishment is a credit to the city.

A HARD STRUGGLE

Many a Astorian Citizen Finds the Struggle Hard.

With a back constantly aching. With distressing urinary disorders. Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. Theodore Huether, living on Park Place, about two miles from Oregon City, Ore., says:

"I found Doan's Kidney Pills do just what is claimed for them. For a long time I suffered from a lameness and aching over the kidneys and an irregularity of the action of the kidneys. The trouble was not severe enough to lay me up but was very annoying and made it difficult without my back aching me. I was induced to try Doan's Kidney Pills from the recommendation of a friend, and procured a box. Their use absolutely removed the trouble with the kidneys, strength ened my back and in every way proved your remedy to be worthy of the greatest confidence.

Plenty more proof like this from Astoria people. Call at Charles Rogers' drug store and ask what customers report.

THE Harrington Patent Washer Improved June 4, 1907

The Agitator works on scientific principles, forcing the suds through the clothes by compressed air. Price \$5.00

Use a galvanized tub 17 inches deep and 17 inches wide, with straight sides—not flaring, with drop handles one-third from top of tub is best, although the washer can be used in any tub or boiler. Cover clothes with water deep enough to cover caps of washer when held down. Press down a number of times opposite you at the outer edge of the tub with a quick, firm pressure, before moving the washer. Then move over the width of the machine. The washer can be used, also, to rinse with. Do not overload it and the machine will wash as much as any \$10 washer, and do it easier and in less time. It will wash whole carpets, Oriental rugs, lace curtains, loose wool or wooden comforts. Follow directions and it will please you.
